## Israeli Association of General Aviation

Israeli Association of General Aviation - IAGA (also known as AOPA Israel) was founded in 1976 and is today the largest general aviation oriented public organization in Israel, with more than 400 members as of January 2016.

The association is an active member of:

**IAOPA** - International Airplanes Owners & Pilots Association

**FAI** - Fédération Aéronautique Internationale

The executive board elected by the member's General Assembly for a two-year term, manages the operations and activities of the Association. The board elects the Chairperson, Secretary General, and Treasurer. All officers and Committee members act on a purely voluntary basis. The Association maintains an office staffed by an administrative assistant.
