

Disclaimer

This website is a service made available by IAOGA - the Israeli Association of General Aviation (also known as AOPA Israel) primarily for association's members, aviators and other authorized users.

Reference herein to any specific commercial product, process or service by trade name, trademark, manufacturer or otherwise, does not constitute or imply its endorsement, recommendation or favoring by the IAGA or any of it delegates thereof.

The views and opinions of originators expressed herein do not necessarily state or reflect those of the IAOGA thereof. Information presented within the system is considered to be available for general public consumption,. Users that require server level connection services in support of Israeli Government activities must contact the local Notice to Airmen Office.

Notices, restrictions, and advisories may change at any time and without notice.

Do not attempt any operation in the Israeli Airspace System without first obtaining and understanding a thorough pre-flight briefing and updated information.
